**As WRC wishes to extend its wings to INDIA, WRC** confers membership for reputed profiles from IJRULA (as IJRULA is accredited with WRC) for the upcoming academic year 2019-20.

**Membership fee: 5,000 INR (For RULA MEMBERS only)**

Kindly click the link for membership, <http://www.worldresearchcouncil.org/become-a-wrc-member>

Membership fee must be confirmed on or before 12<sup>th</sup> of December, 2018 as members list must be updated for the new academic year 2019-20.

**WRC's MEMBERSHIP SIGNIFICANCE:**

*WRC can deliver a truly comprehensive service.*

- 1. An official membership certification will be issued electronically by WRC.*
- 2. Being the member of International World Research Council, it adds more reputation to your profile.*
- 3. WRC provides international fellowship in the respective fields.*
- 4. Adds more value to your career background (can be used in Curriculum vitae, letterheads, signatures and so on).*
- 5. Raise awareness of funding opportunities up to 25Lackhs INR for each fellowship out of 5crores every year (country-wise).*
- 6. Display of your reputed profile in WRC's worldwide platform.*
- 7. A free Press coverage of your research work along with your profile will be published in WRC official site as recognition.*
- 8. As Learning & Development through Research, WRC delivers the range of activities offered on this site and facilitates funding.*
- 9. Being the member of WRC,*
- 10. Provide information on learning and development opportunities among the international official members.*

11. *Facilitates the consideration of your research work for the international congresses conducted by WRC.*
12. *WRC paves the way to get the most out of the research community.*
13. *Provides current projects and opportunities covering key research methodology.*
14. *Shows best practice of ideas from research staff networks.*
15. *Support from the Active Research Community.*
16. *Assisting research activities with the improvement of organisational strategy, management and performance by systematic measurement and monitoring of research work, operators and key stakeholders, and identifying strengths, weaknesses, opportunities and threats.*
17. *The community research is also used to evaluate how extension and dissemination of research findings impact on perceptions of activity.*
18. *Undertakes regular market research with the key researching groups to gain an understanding of their views on key issues and on the research itself.*
19. *Monitoring the condition of your research study.*
20. *Development of intellectual skills of critical analysis and also valuable transferable skills such as group work, time- and resource-management and data handling.*
21. *Realization of Total value of the investment*
22. *Taking part in research can give you a more positive outlook on any research issues.*
23. *Gives some evidence that suggests people who take part in research have better research outcomes no matter what procedure they follow. This is known as the 'trial effect'. Even if the research you take part in is unsuccessful, many better outcomes can be received while the trial is running.*
24. *WRC helps to get research evidence that something does or doesn't work. Showing that something is not effective or does not work in the way we thought can be as useful as proving it does work.*

*Looking for your confirmation in this regard.*

*Best Regards,*

*Admin IJRULA.*
